Our thoughts and prayers go out to Janis, the Hinson Family and friends. We were so shocked to hear of Ted's passing. We have so many lasting memories of him throughout the years, especially at his auctions. We would stay until they closed and always said he must never go to sleep because his auctions would go until the wee hours of the night especially when he started with jokes. He will surely be missed by so many people that he left an imprint on their lives with his smiling face and kindness!

Our community has lost an icon. Memories of his auctions, and his antics at his auctions, will live forever in all our memories. But more than that he was a man who could be counted on if a friend, neighbor, or the community had a need. To Janis and all the family, know we mourn your loss and lift you up in prayer.

There was always that little mischievous twinkle in his eyes. That one of a kind laugh was his way of showing you the happiness in his heart. Ted always had a way of making you feel a little better about the twists and turns in life. Our hope is that memories will provide comfort and peace for Janis and the family. My deepest condolences and prayers to the entire Hinson family. I still have the rocking chair that my mother let me bid on at his place on 24/27 when I was 12 years old. He was a tremendous friend to me and supplier to my shops for more than a dozen years, and I will miss his loud personal greetings to me over the microphone. Rest in sweet peace, "Uncle Ted".

Spent a lot of Tuesday nights working the floor at his auctions. Even though I have not had any contact in the last ten years I have often thought about the Tuesdays and Saturdays that I worked the auctions for him. He not only taught me about auctions but life in general. He had a kind heart and was willing to help anyone in their time of need. Hold it higher show them the back yelling at us to hold the heavy piece of furniture higher. Will miss you Ted.
