Today I just found out about Elva taking her wings to heaven. We worked together for 20 years at the NC Dept. of Revenue. I loved Elva. She was a hoot to work with always smiling and keeping our Withholding Section a fun place to work. She was summoned to be on the grand jury and didn't want to serve because of all the work we had to do. But Elva did serve and just worked harder when back in the office. She never minded to answer a question or teach a new employee. I really am sad she's not here in the flesh anymore but I know heaven is brighter and God is enjoying her funny wit. She loved Bill and her family very much. I'm so glad she was in my life.
