I am so sorry to hear about your loss. I too have lost family members and know this can be one of the most difficult things to go through. I just wanted to leave you with a scripture that has helped me and let you know your family will be in my prayers. The scripture is Acts 24:15 and it talks about a hope of a resurrection when we could see our loved ones again.

Sorry for the loss of my friend Jerrell. We go back growing up in the same church. Jerrell was a very good athlete. We played baseball together through little league, teener league, high school, american legion and semi-pro and then softball for several years before I moved from Albemarle. He was also an excellent basketball player as well. A lot of good years together with a good man and friend.

For many years I thought his first name was Gerald because of the way people ran it together. My daddy, Jewarren, always spoke so fondly of him. His parents were dear people too. Like Becky said, he was one of the cool older cousins. Wish I'd gotten his looks.

I have many fond memories as a little girl of Uncle Jerrell. I remember seeing pictures in my school books of JFK and being struck by how much I thought they looked alike. I remember his laugh and the way he and Aunt Claudia would lovingly pick at one other. I'm deeply sorry for your loss and am lifting each of you in prayer. Much love, Tresh
