I had the pleasure of getting to know She when we were in church together at New Life Church. She was the sweetest person, we use to talk a lot and do things in the church. A while back I would run into her in Wal-Mart's she always was such a happy person and was always glad to see me. I did not know she was sick.or I would have came to see her. Now she is rejoicing in Heaven with God may you t rest in peace dear friend. Till.we meet ahain.
