Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.

Barbara was almost like a sister as much as a sister in law when she was married to my older brother. As a kid I always enjoyed her and Billy's visit home. She was a fun lady to be around. Thinking of Terry, Deborah and rest of the family. I'm sorry I can't come today because of prior family commitments. Sending love and prayers.
