I grew up with Bonnie . We were neighbors and our dads worked together for Mr. Martin Coggin on his dairy farm and at one time at the Bub Bowers dairy at Norwood. We lived side by side in two houses on the Bub Bowers farm. One day, a mad sow hog chased Bonnie and me around one of the houses. My nickname for Bonnie was "Boney". Bonnie was truly a very good person and a very good friend. We spent a lot of time together when we were children. She will really be missed.
