I'm so sorry for your loss I knew Michael at school and I can take a little bit of peace each day knowing that he is in a better place. I know that can't mean much because all u have been hearing is i'm so sorry for your loss or he is in a better place. But I just want to let you know that he was my friend and I miss seeing him smile every day.

What an awesome pleasure it was to teach you and see your smiling face each day in the shop. Your drive to be the best each day in the classroom and on the football field makes me proud to have gotten to know you. Only a short time we were together but seems like a lifetime. You made a huge impression on all that you came across. You will be remembered.
