Mrs. Carpenter was one of my all-time favorite patients. Her sweet, loving spirit just shone out of her. I told her once that if we could bottle her attitude, we'd be onto something.... she was a remarkable person.

I don't know if there are words to described Dennie....she was always looking out for evryone around her. She was always wanting to help anyone...and extended her friendship and love to all around her. My fond memories was going shopping with her and Lucille Carpenter Curlee to all the outlets around Albemarle and having lunches in nice places. She and Hall welcomed me and Mike into the family with open arms that will never be forgotten. Family get togethrs were always made special with them and their family. Mike always had a place in his heart for both Hall and Dennie as he use to go with Hall to pick her up from work in his early years. God has selected a wonderful lady to help in Heaven. Our hearts and prayers are for all her family who will miss that lovely personality.
