I'm so sorry. I loved Marie even though it has been many years - I have lots of good childhood memories of Marie and Your family. Marie was a kind and gentle person. She was a good friend - somehow mom always got Marie to roll her hair - what a friend! I can even remember her love for her toy poodles from so many years ago. Thoughts and prayers are with your family. Death is so very sad, but God has given us hope. Remember to be overcomers so that we can all meet again in a family reunion in heaven.
