Oh, sweet Rickie! I use to enjoy seeing him when I lived in Charlotte and when Ricky lived there. I remember giving him a medallion type pendant one year. He seemed so thrilled with it. He always gave me the biggest hug each time we saw one another. He was always smiling and made those around him smile a well. Such a happy fella! I've thought about Ricky many times up through the years after leaving Charlotte. He made an impression on so many. Thoughts are with his family at this sad time.
