I knew Leslee through Central Elementary School where her children that she and Wayne are graciously raising. If I ever needed anything or had any concerns about her children she was always there. Leslee also cared for a young lady in Union County that was afflicted with polio and my mother is also disabled from the polio virus that she obtained in the 1940s. Leslee and Wayne are great people and I have been touched by their generosity and their families. Leslee will be greatly missed!

Love and prayers to all of the family and friends. Les was an amazing lady full of life. If you were ever lucky enough to be around her, you couldn't help but to smile. If you didn't have something to smile about, she would give you something to smile about! I'll never forget the first time I met her and the stories she would tell! I'm sure she's asking God all the questions she can right now and carrying on right by his side!
