I sure did love Judy. We were friends for probably 20 years. She was a dear friend. I can't count the times we went to the beach and to Virginia Beach to visit my family. We sure had some good times. I am so sorry she has passed and I will cherish our friendship. To Lisa and Melissa, if there is anything I can do for you girls, let me know. I'm so sorry I was not able to attend her funeral. My health and Judy's health started failing about the same time. It is very difficult for me to travel and I don't drive anymore. I use a walker now and can not stand long at a time. Even though I wasn't able to be there, I said a prayer for all of you at 11:00 am on Mon. I sure will miss Judy. She was a good friend. May God bless you all during this time of sadness.

Judy Smith was was of the best women I've ever had the pleasure of spending time with! She was funny and let you know what was on her mind, loving, and kind; she housed and fed quite a few people who had no where else to go. We spent quite a few moments together on the porch talking and laughing and that, I will surely miss! She truly loved and was proud of her family and loved her grandchildren with her whole entire heart! She's now happy and whole, walking in Heaven with her Lord, and I am sure he had her a candy bar ready when she arrived. Love you, Judy!
