Ralph, Cornail and family. I am so sorry about your loss of Lois. I remember her as we grew up in the Union Grove community. I haven't seen her in many years but I remember her being one of the sweetest girls I ever knew. She was fun to be around in Bible School and church. I remember going to visit with Mr. Grady and Ms. Pearl when I was a very young girl. It breaks my heart when I read the Obituary's and see so many people that I grew up with passing away. I know it's something we all will have to do but, we will rejoice when we meet again in Heaven. May God Bless you all and give you peace and comfort in this sad time.
