I am so sorry to hear the news of Ryan passing. He was an awesome childhood friend for which I have many wonderful memories and shared many if not all the same hobbies growing up together. For that we can thank our parents for keeping family and friends an important part of our lives and enjoying all those moments together. It is sad that we often lose touch with those that we grew up with but when I did bump into Ryan over the years he seemed to always be smiling and happy to see you which is certainly the Ryan I remember. Again... I am so sorry, and my prayers are with the entire family.
