I met Teresa when we needed home care for John David's Dad, Grover Holt. Then to find out they were cousins. She was a hard worked and very dependable. Her calling was helping the sick and ones in need. She always had a smile, was kind and she loved Mr Holt and she loved him. You will be missed. John David and I will be praying for peace and comfort, during this difficult time, for her family and friends.

Teresa was my first love. We've been friends over 50 years. I'll remember her like she was when we went to Rock Creek Park back in the days of Swimming every day of the Summer, diving boards, listening to great music at the pool, Norton Pease and Reid Squires watching over everyone in the pool. Just being happy go lucky young teens. I think that's a GREAT memory of her. Her girls and her grandkids were her life. The Family will be in my Prayers. 🙏

Teresa and her family were friends of mine since mid 1960s and elementary school....riding bikes, crashing mini bikes, walking to Rock Creek Park. Always a smile on her face and a delight to be around. She was an inspiration and friend to all.
