One of my earliest childhood memories was Uncle Donald and Gary blindfolding us, hoisting us up on a pillow that they both held and then running us through our grandparents house on the family farm. His laugh was absolutely infectious and anyone that knows Donald will never forget it. I never had a conversation with him where he didn't have me cracking up. Whenever I came into town Donald and Nancy were also so welcoming to me as a child and later in life to my wife and boys. They always have made us feel special. I will miss our visits and hearing his hilarious stories and that incredible laugh. He's truly one of a kind and the end of a great generation. Nancy, Todd, Dustin and Matt we are keeping you in our prayers. There is no doubt that his loss will leave a great void in everyone's life, but we pray that it will be filled with amazing memories and knowing that we will be with him again. I can see those Fincher boys all in heaven leaning on a truck trying to tell a better story than the next while Nana and Papa and Barbara stand by with a little smirk just shaking their head in disbelief.

We never dreamed we would lose you so soon after losing dad (Jerry Fincher). You were the last of the children and many things go with you! Our hearts are heavy that you had to leave us! I have so many fond memories of our family gatherings, the lake, you trying to throw me off of the innertube, your constant smile and so many more things. You have always been generous with us and always there when we needed you. I will forever miss all of those wonderful times with our family. Life will surely never be the same. My prayers for Nancy, Todd, Dustin and Matt in the days to come when the emptiness will surely be overwhelming at times. Only God can mend broken hearts. We loved you in life and miss you terribly in death. -Cindy Fincher (Jacobs)

My heart breaks for Nancy, Todd, Dustin, Matt and all the other family members . I have so many fond memories with Donald & Nancy, from trying to teach me how to water ski or swimming in their pool. Having family gatherings, going to their church, and just many fun times. My thoughts, love, and prayers are with you all.

Donald , you will be sorely missed. May you Rest In Peace until we meet again, as we believe in the resurrection 🙏

Many fond memories of Don through the years, such as both of us taking our first airplane ride with my dad Bill Fincher, working on cars together, when I was just a kid and would visit from Wake Forest he always took time to spend with me. That was Don's nature. Rest In Peace Uncle Don, may God bless you and comfort you. You were a good man and kind soul. You will be missed by many. Gary Fincher
