Shirley (Mamaw) was one of the loveliest humans. Her strength, loyalty, sense of family, charisma and joy for life were unparalleled. I was so very impressed by her, the pillar of strength that she was for her loved ones. Her ability to make you feel at home, to liven up the room. I am thankful for the time I got to spend with her. She loved her family more than anything, and I know that will continue as she watches down on them, continuing to provide the stability she always has. My thoughts and prayers are with Paul, Scottie, Cameron, the kids, Joy and Brooke. The next time I hear an Elvis song, I will dance for Mamaw.

The family of Harvey and Lena Kiker send their condolences. We grew up in a house that belonged to her parents, and her father would allow us to help him with chores. We became like family and considered Shirley our sister. We have many fond memories of Shirley and her parents. We remember her father paying us for our "work" and then he would load us up on the wagon and take us to Burris' store. Spending nights with, sharing meals together, and many happy hours together forms a bond that lasts forever. We will miss our sister. We send our love to the family. Clair Ree, the late Loyde, the late Linda, Brenda, and Elaine Kiker.
