Dear Biles family, I am so very sorry for your loss. Many memories have been with your family over the last 33 years. I will never forget him teaching Mandy and I how to drive a standard jeep, learn how to go mudbogging and just sharing all his jokes! So many fun fun times. Now he is with Rudy watching over all of us and no longer suffering. Wishing all the good memories we all have with him and your family will comfort you in this sad time.. Love you always, Steph
