Kim was always full of life laughing joking and always having fun I remember him throwing me into the lake and saying sink or swim I learned to swim that summer because he kept throwing me in . He was the fun brother-in-law because he was like a big kid when we were growing up. Wendy Brooke and Adam I have a lot of memories of your dad he will be missed But forever in the hearts of those that knew him I love each of you and I hope you find peace in your heart soon.
