Dana, Gwen, Wanda and families, I am deeply saddened to learn of your mother's passing. She was such a kind and sweet lady. She always had time to talk when I would see her out and about in Locust especially before mom and dad passed and still today. She will be missed by many. Hold tightly to her memories for she will live on through you. May God comfort you during this difficult time. Carolyn Barnes Faust.

Wanda, I am so sorry to hear this about your Mom. She truly was a beautiful lady. I remember her so well from coming to the Senior Center dances. My heart goes out to you, because I know how you are feeling. It is so hard to lose someone that is so special to you. Please Know that you are in my thoughts and prayers. I wish I could attend on Saturday but I have another commitment. My love to you, Linda Cordell

Doris was a kind individual who loved to dance and cook amazing meals. She had a passion for many things, but most of all she had a passion for being a mom. I've watched her for over 40 years, to be the most incredible mom to her children and when I came into the picture, she made an effort to make me feel welcome in her family right away. I have learned so many lessons from her about following your dreams and loving with all of your heart. I will miss her incredible presence and feel honored to be a part of her family.
