Sam Deva and family Brenda was one of my closet friends when we were teenagers we were a group of girls that loved to be together in school and on the week end we went dancing double and triple dating or we rode around in her blue ford. We could put a \$100 worth of gas in the car and ride all night. We were adventuresome and had on so much fun. We would pile into Brenda's room. Sit on the bed listen to music and talk all night long. I loved her and will miss her she is the first of our group to pass and it hurts my heart is broken but I know she and Dwight are dancing across heaven now stopping and seeing family friends oh what a reunion and best of all to see and worship Jesus her savior. God Bless you all. Our group of girls 1964 class of ASHS Brenda Morgan Rummage. Dian Mabe Huneycutt Judy Cranford Lisk Vickie Archer Leonard Yow and me Katrina Lefler Hathcock.
