Billy Thomas "Tom" Chrane

MAY 21, 1948 - NOV 24, 2022

Billy Thomas "Tom" Chrane passed away on November 24, 2022, at the age of 74. The visitation will be held at Stanly Funeral and Cremation Care in Albemarle on Saturday, December 3, from 12:00 p.m. to 12:45 p.m. The funeral service will follow at 1:00 p.m. Officiating the service will be Gene Berg, Mike Elium, Derek Chrane, and Zane Chrane. Interment will follow at Stanly Gardens of Memory.

Tom is predeceased by his father, Dr. Bill T. Chrane, and his mother, Laverne Chrane, of Big Spring, Texas, as well as his brothers, Steve and Charles "Chuck" Chrane.

He is survived by his loving wife, Rita Chrane; two sons, Zane and Derek (Marie) Chrane; grandson, Finley Chrane; and his beloved dog "Cowboy." His greatest joy was watching his two loving sons mature into young men.

He is lovingly remembered by his sisters, Caren, Sharon, and Cindy, who reside in Texas and Carla, who resides in North Carolina.

Tom was born in Big Spring, Texas, on May 21, 1948. He enjoyed deep sea fishing and coaching youth sports. Two of his proudest accomplishments were inventing one of the first microprocessor-based oil well controllers and educating and enriching the lives of students during his 25 years teaching Computer Engineering Technology as a community college instructor.

Flowers may be sent to Stanly Funeral Home and Cremation Care, 1835 Badin Road, Albemarle, NC 28001.

Condolences for the family may be offered online at www.stanlyfuneralhome.com

When I think of Mr. Chrane, I can't help but smile. He always made me laugh, usually followed with my reply of "behave yourself!" Our professional relationship grew into a friendship, one that I'll cherish forever. I'm lucky to have known him and his wife, Rita and of course precious little Cowboy. Mr. Chrane loved his family more than anything and always spoke so proudly of his sons. He is and will be greatly missed.

In 1986 I returned to college at Stanly Community College. That was the first year that they introduced the Computer Engineering Program taught by Tom. There were several of us who began, but only 5 graduated. He weeded out the ones who weren't really interested, but he was a good fair instructor. He will be missed by many.

When I first started working at Stanly Community College in 1995, I found out that employees could take one class for free each semester. One of the first classes I took was Microsoft Office 95 under Tom. He was a great instructor and co-worker. A pleasure to be around! My condolences to Rita and all the family. Mark Sample
