Sharri will surely be missed. There are so many memories that I wouldn't know where to began. Besides being a best friend she was my rodeo buddy when my son rode bulls and we were co workers. We were always proud granny's when we got new babies. She always let me call Jo my boyfriend. I will always have so many memories to many to tell. My love and prayers to all the family. Just know Sharri will always be in my heart.
