I had not seen or talked with Ted in the last several years; however, he was of service to my family and the real estate office I work at, CENTURY 21 Russ Hollins Realtors, multiple times. Always on time, always there to get the job done, and done right...not just ok or satisfactory, but ALWAYS exceptional attention to detail and satisfaction. Just a great guy and a great American! Godspeed Ted, if there are any plumbing leaks in Heaven, they'll be resolved promptly and perfectly! - Sincerely, Tom Medlin
