Dear Family, I just learned of Margaret's passing. My condolences go out to all of you. During my life I have many fond memories of her. Growing up with Bobbie and seeing her at all of our school activities and then later in life getting to see her in the car rider line at Oakboro picking up Kelsey and chatting each day. I enjoyed seeing her at ballgames watching those grandkids play. She was a special lady who will be missed by many. ❤️🙏
