Sweet Raedell, I'm so very sorry for the loss of your mom. I haven't been where you are, and I can't begin to imagine the hurt your heart must feel. Please know that I'm thinking of you and your family in prayer and will continue to do so in the difficult days, weeks and months ahead.

Dear Granny, I thought you would never die. However, your passing has brought me inner peace. We've made so many memories on my days off each week that I'll never run out. Your laughter was contagious and your love for your great grandchildren was a love like no other. You were my best friend, my pedicure pal, my beauty client, and my Folgers coffee buddy. Our secret conversations will never be told and my love for you as a second mom will continue to grow even as you're in heaven. Brody, Coop, Jon-Michael, and myself will join you once more when the roll is called up yonder. Love you forever and always, Miss you so much, Brittany
