Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.

Charlie was the reason we moved to Charlotte. Ben & I were a young married couple working for Cities Service in Shreveport and Ben worked in the same department as Charlie. Not long after Charlie transferred to Charlotte, we had to choose between losing our jobs or transferring to another city. We chose Charlotte because Charlie was there. Ben worked for him for many years until we moved back to Shreveport. Dot and Charlie were like family to us and we kept in touch through the years. He was a wonderful person and we cherish our memories of him. To his family, we are so sorry for your loss, but you can be so proud of your dad, what a wonderful Christian example of a father.
