Words can't describe the void and emptiness I feel inside. Daddy I'm missing you more than I ever thought humanly possible to miss another person. You were an AMAZING father and even through your struggles at times in life you always loved us and cared for us. I know you are in heaven right now and free from all pain. I rest and have peace in knowing that. Yet there will never be anyone who could ever replace what you mean to me in my heart. I love you daddy & I sense your presence around me all the time. We will see each other again one day. To all family & friends who have been there to support my family during this difficult time I want to sincerely thank you. My Daddy was a GREAT man admired, loved, and respected by many. He will greatly be missed.... His Baby Girl Mieka

I am sorry for your loss. Losing a loved one in death is such a difficult thing to experience. Please be comforted by the promises found in the Bible. Jesus tells us at John 5:28,29 that all will hear his voice and come out. What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones again one day. Meanwhile as I pray for that day to come I ask God to bless your family and give you the strength to endure this most trying time.
