To the Beck's Families :Please accept my sincere and deepest condolences on passing of your beloved, I am sorry. During times like this Jehovah God (Psalms83:18) gives each of us a real hope of actually enjoying life with our beloved one who have passed away. Jesus himself tells us that those in the memorial tombs will hear his voice and come out. (John5:28-29B) Do not be amazed at this, For the hour is coming in which all those in the memorial tomb will hear his voice and come out, those who did good things to a resurrection of life. (Acts 24:15) And I have hope towards God, which hope these men also look forward to that there is going to be a resurrection of both the righteous and the unrighteousness. God original purpose for us has not change. Such a beautiful Bible promise will soon come through because God himself has promise it. My heart goes out to the families.
