Thinking and praying for you Uncle Lonnie and your family. I remembered something you told me once...If you are going to pray, don't worry. If you are going to worry, don't pray. Those words have brought me peace many times. God Bless!

Lonnie was a client of ours (Law Office of William K. Goldfarb in Monroe) about 11-12 years ago after he was in a very serious automobile collision. He went through some very hard times recovering from all the injuries he sustained in that wreck. However, he was always so kind and polite and was a pleasure to know. We went to his farm and spent a lot of time with him while working on his case. He was a real gentleman and a wonderful man. He will be greatly missed.

Lonnie was a sweet man, always let us fish in his pond. We thought a lot of him and hate to hear of his passing. We are keeping the family in our prayers through this difficult time.
