Cheri, Erin, and Michael, I am so sorry for the loss of your husband and father. Joe was a great guy. He was easy going and often could bring a smile to a tough or stressful situation. I was fortunate enough to have known Joe for quite a long time. He was a great co-worker and friend. I will miss Joe and know our team will as well. May Joe's kind spirit and happy memories be with you forever. I know he loved and was proud of you all. I heard many stories throughout the years. :) May peace be with you.

Cheri We were so saddened to hear of Joe's passing. He was such a fun and laid back friend. Brian enjoyed working with him all these years and fondly remembers the time they worked on the cc mail support project. While we certainly mourn his passing we take solace in the fact that he is no longer suffering and is an angel watching over us. Please know that we keep you and your family in our thoughts and prayers.
