To The Grieving Family of Ms. Gloria Ross.....A message of Solace at The Time of Your Lost of a Loved One

JESUS™ ROLE IN COMFORTING ALL WHO MOURN

God intended that Jesus have a key role in providing comfort. Among other tasks that God assigned him, Jesus was to bind up the brokenhearted and to comfort all who mourn. (Isaiah 61:1, 2) As foretold, Jesus took a special interest in people who were toiling and loaded down. Matthew 11:28-30. Today, the Son of God is not present on earth to comfort us personally. But his Father, Jehovah, the God of all comfort, continues to help those in need. (2 Corinthians 1:3) Consider four principal means that God uses to comfort people.

The Bible. All the things that were written beforehand were written for our instruction, so that through our endurance and through the comfort from the Scriptures we might have hope. Romans 15:4. God's Holy Spirit. Not long after Jesus's death, the whole Christian congregation entered into a period of peace. Why? It walked in the fear of Jehovah and in the comfort of the holy spirit. (Acts 9:31) The holy spirit, God's active force, is very powerful. God can use it to comfort anyone in any circumstance.

Prayer. Do not be anxious over anything, the Bible advises us. Rather, it says, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers. Philippians 4:6, 7.

Fellow Christians can provide a comforting safety net of true friends. The apostle Paul described his companions as a source of great comfort in times of distress and tribulation. Colossians 4:11; 1 Thessalonians 3:7. It is my sincere hope that these words/this knowledge helps to sustain you, your family during your Bereavement.

To the family: I would like to take this opportunity to give to you my sincere condolence. We a love one passes away it brings so much sadness to the family. There is joy in this as well. The bible states at John 5: 28,29 the eventual outcome. Those that die now will be resurrected back to life on earth. Jesus is the prime example because he stated these word in the Bible. Psalms 115:16 states this: As for the heavens, they belong to God, but the earth he has given to the sons of men. There is so much in the Bible that gives us all hope for our love ones. May God embrace you the family in his loving care at this time of your grief.

To the family: It is my hope that within this condolence letter I will be able to give you the bible hope of a resurrection I am sorry for your for your loss and the grief you feel at this time. Death is not part of the process , so one a person dies we feel the pain. I know your feeling because I have felt the sting of death myself. I want you to remember what Jesus said at John 5:28,29 about those who pass away. He promises a resurrection back to earth because He to was resurrected back to earth. Also at Revelation 21:3,4 it also promises that sickness and death will be part of the pass. May God holy spirit empower you at this time.Thank you, Emma Bennett

J. R., Brian and Tim,We care for you deeply and are saddened to hear of your sweet mother's passing. Gloria was a warm, compassionate and vibrant woman who always went out of her way to help others " no matter what. She had a wonderful sense of humor which endeared her to everyone she came in contact with and it is a great testament to her nature that she formed so many long lasting friendships over the years. Your mother taught you many things as young boys that made you who you are today - good manners, respect and sound moral values. I thank her so very much for not only the example she set for you but also the endless love she gave all three of you. Above all I give thanks for the life of a woman I am so proud to be able to call my friend, the unique, the complex, the extraordinary and irreplaceable Gloria whose beauty, both internal and external, will never be extinguished from our minds.
