I was surfing YouTube and came across a Mid Atlantic Championship Wrestling episode dated September 1985. Among the wrestling talent in the line up of matches was Ron Rossi vs The Raging Bull Manny Fernandez. This viewing prompted me to search out some folks, of which included Ron Rossi. These are some of my favorite memories. I saw Ron perform many times on TV and in person. My condolences on the loss.

I had the pleasure of meeting Mr. Ron once I got down to Walmart as a Co-Manager. He always took the time to talk with me during his trips to the store offering kind words or just something to make me laugh. May God continue to bless the family during these trying times.
