To The Grieving Family of Mr. Michael Mills.....A message of Solace at The Time of Your Lost of a Loved One! Does God Really Care About Us? WHY THE QUESTION ARISES: We live in a world full of cruelty and injustice. Many religions teach that the sufferings we experience are God's will. WHAT THE BIBLE TEACHES: God never causes what is wicked. It is unthinkable for the true God to act wickedly, for the Almighty to do wrong! says Job 34:10. God has a loving purpose for humans. That is why Jesus taught us to pray: "Our Father in the heavens, let . . . your kingdom come. Let your will take place, as in heaven, also on earth." (Matthew 6:9, 10) God cares so deeply about us that he has gone to great lengths to make the fulfillment of his purpose a certainty."John 3:16. See also Genesis 1:26-28; James 1:13; and 1 Peter 5:6, 7. It is my sincere hope that these words/this knowledge helps to sustain you, your family during your Bereavement!

Michael had the biggest heart a person could have. He gave it freely to anyone that was around him and with a big smile to go with it. He helped anyone that was in need. He will be missed greatly, but not forgotten. May God wrap his arms around his sister, Trina and sons, Jacob and Benton.

Mike, I'm so sorry I haven't been in your Life these latter Adult Years. You, Darrell, Marty, and I were close in our childhood days. Time seems to always pull us apart over the years and we get caught up in our own Family issues. At any rate, I hurt for you when you lost your precious Daughter, even Donated in the White Plastic Pickle Jars at Gas Stations (I remember crying when I saw it was you and your Daughter) I hurt for you when you lost your sweet Parents. But I didn't say it loud enough that I was there for you. Guess it's too late to say it now. I did think about you and Prayed for you over the years. I miss the innocence of our childhood days when our Parents dealt with all of the bad issues and all we did was play Cops & Robbers, Cowboys and Indians, and talk how cute the girl down the street was. I know that there was a huge hidden pain in that Heart of yours and you just didn't tell enough of us about it. I Love You Cousin! You went too soon! You will be missed! I know in my Heart that I will see you again. Heck, we may play Cops & Robbers again just for Laughs. Love and ((Hugs))!! - Jimmy Starnes

To the Family: I want to send you my sincere sympathy during this time of your grief. Even though this is a sad time for you, try to fill your hearts full of hope and appreciation for the kind of life your love one lived. We are very thankful for the ransom, because as a result of the ransom it make the resurrection a reality. We are thankful for the tears shed by Jesus when his close friend Lazarus died showing his deep concern for those who mourn. We are thankful for the Bible's reference to death as an enemy that will soon no longer threaten the human family. (Revelation 21: 3,4). May the holy spirit empower you during this time of loss.
