So very sorry for the loss of Blake. He stands to be an inspiration at how attentive and loving a parent should be. His love for Landon was enormous. For that is undeniable and Landon will be reminded of that love by all of us that love him as well. Sue {(Landon's grandmother - (Heidi)}

To the family of Mr. Blake Aldridge: I am so sorry for your loss. It breaks our hearts when death separates us from the one's we love so much, more so when they are so young. The Bible assures us that God see's your pain and sadness and he promised to eliminate the enemy that threatens the human family Revelations 21:4 and Isaiah 26:19. May you find comfort in knowing you loved one is resting safely in God's limitless memory.

I cannot imagine the pain of losing such a special part of your circle during the most family-oriented Holy Days we celebrate. Although an incredible time for Blake to have renewed spirit in this time of his rebirth, it is such a tragedy to endure such a profound loss.. My heart and prayers are with you all. May you be reminded the circle is unbroken even though it doesn't feel that way -- and May You know he is closer these holidays to you than ever --- in your hearts, in your spirits, in your souls. God Bless You Richly with His Comforting Love and His Protective Hand, and May His Healing of Your Sorrow be Present in the Glorious Miracle of the True Meaning of Christmas. I am so very Sorry Don & Family.
