To the family of Vera Sigers: _Please accept my heartfelt condolence. I know that this is a sad time for you, but please try to fill your hearts full of love and appreciation for the kind of life your loved one lived. We are very thankful for the ransom, because as a result of it, it makes the resurrection a reality. Please be assured that God see's your pain and sadness and He promised to eliminate the one that threatens the human family. Revelation 21:4 and Isaiah 26:19 are very encouraging scriptures. May you find comfort during this difficult time.
