To the family: Please accept my sincere sympathy. Even though this is a sad time for you, try to fill your hearts full of hope and appreciation for the kind of life your loved one lived. We are thankful for the ransom, because of it, it makes the resurrection a reality. Please be assured that the Bible says that Jehovah God see's your pain and sadness. He promised to eliminate the enemy that threatens the human family(Revelation 21,4 Isaiah 25:8, and restore the life that was lost (Isaiah 26: 19, John: 28,29. There is so much comfort in these words. May you find comfort during this difficult time.

Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.
