To the family of Lisa: I am so very sorry for the loss of your mother and friend. Although her time was short, and her earthly journey is over please try to fill your heart with love and appreciation for the life she lived. Think of the hope that the bible gives at Revelation 21:4 where it says death is an enemy that will soon be eliminated. Isaiah 25:8 says God will swallow up death forever, and Isaiah says your dead will live. May you find comfort in knowing your mother and family member is resting safely in God's limitless memory.

When I met Lisa her love of her family and her animals is what brought us together as friends. She loved life and loved to laugh. Lisa was so strong but when it came to her children she was so proud. And loved telling of their achievements. I will miss you my friend. Rest in Jesus arms and love on the lost furbabies till we can join you in Heaven.Â
