I wish to express my deepest and sincerest condolences to the family. Words alone cannot ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he(GOD) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you comfort in your loving memories and in His promise that soon we will never experience losing our love ones weÂ will be able to see them again once they are resurrected John 5:28-29. May these scriptures bring comfort and calmness of heart to you during the difficult days

Dear Bryant family, I am so sorry to have read of the recent death of your loved one Robin. Please accept my most sincere condolences. May you find the comfort from the Scriptures at John 5:28,29 where Jehovah God promises a resurrection of our loved ones through his son Christ Jesus. And then the wonderful hope in the near future to the end of all the causes for our sufferings including sickness and death promised at Revelation 21:3-5. When I've lost loved ones these Scriptures have comforted me as I hope they will help your family also. In your time of need may God's loving arms surround your family during this most difficult time of your lives. Please accept my deepest sympathy on your loss.
