Even though we were miles apart and had never met in person, we had been best friends thru social media. We have laughed, cried, griped, bragged and loved to each other for more than 24 years. She was like a sister to me and I needed that. She was so proud of her family and the closeness they shared, always including her. I will miss my dear friend so much but know she is where she longed to be, with her Pat and her son James.

Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.
