My brother Jimmy just told me about the passing of Lane. Oh what memories we had being raised up together as neighbors. Lane was a funny guy. I cherish those days. Sorry for your loss. An old preacher said one time, "The young die and the old have to." Lane was so young. Death is no respecter of persons really. He just as soon come to the healthy as the unhealthy, the rich as to the poor, the righteous as to the unrighteous, the needed as to the unneeded. That's why we all need to be ready and born again today. Love in Christ, Tommy
