Saddened to learn of Bobby passing. He was a customer at the bank in Marshville where I worked for 8 years. And he was also a customer where I worked at the insurance office. He and Barbara were such good folks. Prayers for each member of the family. May God give each of you comfort and peace. Freda Cameron, Marshville N C

Bobby was a good soul who was always friendly and caring. He loved to work his gardens and was so generous with the harvest. He brought us vegetables many times and always with a smile. He did a lot of good with his volunteer mission at Autumn Care. Rest In Peace, Bobby and Godspeed.
