James Timothy Faires Jr.

AUG 5, 1987 - MAR 27, 2023

James Timothy Faires, Jr (Jimmy) of Myrtle Beach SC, passed away unexpectedly March 27, 2023.

Jimmy is survived by his son, Brayden Faires, Brayden's Mother Christina Lane, his father James Timothy Faires, Sr (Dawn Kirkley) of Southport, mother Mendy Lucas (Dennis) of Elm City, grandpa Cliff Davis of Southport and numerous aunts, uncles and cousins. Jimmy was preceded in death by his grandparents, Dorothy Davis, JD Faires, Esther Lamm Morris and Carl Bernard Morris.

Jimmy was born August 5, 1987, in Charlotte NC, with a zest for life and

sense of humor that attracted friends throughout his life. He showed athletic prowess from a young age and enjoyed and excelled in football at Piedmont High School and Anson High School. Jimmy had worked in the construction field for the last several years. He enjoyed being outdoors, cooking and spending time with his family. His biggest joy in life came from the time he spent with his son Brayden.

Jimmy was a loving father, son and friend who will be deeply missed. In lieu of flowers, contributions can be made to "Brayden Faires Education Fund" c/o Phyliss Pope, Truist Bank, PO Box 218 Mt. Gilead, NC 27306

Oh the memories, where do I begin, Jimmy and Dawn my sympathy and empathy are with you both as well as the rest of the family. To say JT will be missed is a bit of an understatement at best. However, I am so grateful for all of the time I was able to have with him throughout his life, and those memories I will cherish for the rest of my life, from spending the night at the house on Thompson rd to camping in the Mountains at Pisgah national forest, Ocracoke and all the times between at the rock crusher (attempting to camp by the creek with 2 blankets that Dawn wanted to beat us with when she found out we had them out camping and no fire, which we were rescued by Jimmy) and can't forget every family gathering in pageland taking the ol John Deere out like it was our atv. You were definitely more than a cousin, you were my best friend and no matter what we got ourselves into and how different we saw things which was rarely we never held a grudge or really even got mad at each other, which taught me more life lessons than I have room here to share such a vernacular. I know you're already visiting Katie, and Grandma, and the rest of our heavenly family. You were a good guy, the best cousin/friend/and new father, I'm confident you'll be an even better guardian angel to watch over us all!

Please know that all of you are in my prayers and my heart. Jimmy was very close to me since I first met him when he was about 12yrs old. He came to stay with me and my wife, his cousin, and I took him squirrel hunting and we rode 4wheelers all day that Sunday. It was an awesome weekend and one I will never forget. We have been best friends every since. I lost more than a friend, I lost a brother, but we will all see him again one day, and that will be a glorious day. I Love you brother. 🙏🙏

Words are hard to find right now. I choose to think of the precious time we spent together. Most of that was when you were a little boy. I loved you as if you were someone more special than my nephew. I was too young to be a grandmother but that fits my feelings for you now that I am a grandmother and great grandmother. I remember our story times together you would always want to hear the same one over and over again. You were your mama and daddy's son but you were my Gem!! I'd tell you I spell your name Gem not Jim. I loved you then I love you now.Love Aunt San
