To Jeff and Rob and family know you all are in my thoughts and prayers. To be absent from the body is to be present with the Lord. I pray your hearts will be strengthened and your hurt healed by our Lord. I remember the family very well. They lived above us on Houston Street in Monroe. I baby set there dog when they went on vacation. One summer the dog got out and ran through the house and the door went closed and cut the dogs tail. I was more upset than anything. Mrs. Morris made everything seem alright with her tender loving voice.

She was my mentor when I did my student teaching! What a blessing d as he was to my life. She had a wonderful sense of humor. I was sick every morning. Oh boy, she would tell me I was pregnant! I told her that I thought I just had a bad virus. All through my pregnancy, she would tease me about my virus. By the way, my virus is 40 years old.

Mrs. Morris was my teacher at Walter Bickett. She was the sweetest teacher I had in elementary school. Her infectious smile and her love for her students showed up in her walk with Christ. She had a deep love for teaching and her desire for her students was to learn her material. She would go to any length for us. I would often see her out in the store and I would remind her that she use to be my 1st grade teacher. Yes! She would remember! To her family and friends her life and legacy will live on through yâ€™all and the ones Mrs. Morris touched. Love, Peace and Blessings

Ms. Morris was my 1st grade teacher and my favorite teacher of all. Every time she saw me she was quick to give a hug, and tell me I was her favorite student, though I think she had many favorites! She literally had to teach Southern English to me so I could understand her! She found ways to keep in touch over the miles and decades, encouraging and sharing life experiences with me. Ms. Morris is a citizen of heaven now and I am sure teaching up there as well! Her grace, love, and character here will be missed! I loved you so Ms. Morris!

I did not know Anne very well but we became pen pals during covid and she sent me very sweet notes. Especially when my husband Marshall was ill and on the prayer list. I only met her once. I was during one of her weekly domino games with her friends. She was so lovely and kind to me after losing Marshall. I thought she was quite the spitfire too! What a beautiful blessing and assurance that we know she is now in paradise with her Lord and Savior, Jesus!

I was given the privilege to assist and care for Ms Anne for 2 1/2 years. We shared many great times together. She also taught me and my granddaughter how to play dominoes. We shared laughs and tears, looking at the deer in her yard and her knowledge of flowers and birds. She will be greatly missed.
