I've known JC since high school, and JC and a few friends were staying with me for a few months in 2012, around valentines we made a cake and we ended up in a big cake fight that had us cleaning cake out of everywhere for days. I still laugh about that every year. It was good times, good laughs and just a memory I will never forget.

Jacob was one my best friends in high school and as we grew older he was known to my daughters as uncle jc. This loss was devastating to hear and I pray for the family and Cashina I know he loved his mom with everything. I will cherish every memory I have and Jacob will never be forgotten. He was one of the greatest people I knew and always knew how to make someone smile with his goofy personality. I love you Jacob always will hold a place in my heart

Your absence, by far, is the heaviest weight i've ever had to carry.
