Conrad was so gifted to play his electronic keyboard by ear just listening to music. My memories of Conrad and Fran were always so warm, helpful and making visitors feel so welcome at Green Memorial Methodist Church. He is healed and with his beloved Fran in heaven now. They will both be missed. Prayers and peace for the family.

Conrad Scarboro was the most intelligent human being I have ever known. He was also one of the kindest and nicest human beings I have ever known! I will never forget him! I can only imagine how much the Scarboro clan is celebrating his homecoming in Heaven! And yes, how glorious the reunion for Conrad and Fran!!!! They were so good together as husband and wife. I have rarely known such a perfect couple suited for each other. GOD IS GOOD! Shelia Misenheimer

I always remember Fran and Conrad as long time members of Green Memorial Church. I loved Conrad's musical skills and their love of the church. I fondly remember Joe and Star as well. Fran was such a loyal, devoted wife; especially after Conrad became sick. She took such good care of him as long as her health permitted. So hard to believe they are both gone. Fly away and be at peace with Fran. 🙏🕊️🙏. Susan Simmons Hinson

Fran, Conrad and I did some traveling together. We spent two week in Ireland and Scotland and later two weeks out West. We had some really good times together and I thank God I have those memories. I miss Fran every day and I take comfort in knowing they are together again and their bodies are healed. Conrad loved Fran so much and she returned that love. They really loved traveling together and making memories. I wish their health had allowed us to continue. Conrad was a very special person with a wit and humor all his own. He will be missed. Rest easy my dear friend. I loved you

Our Green Memorial church family will always love and miss Conrad & Fran. They were a big part of our church and always in our hearts. They were good friends to all. Conrad had a great talent for playing the steel guitar. I always loved hearing him. Thank the Lord he's healed and with his Fran again.
