Floyd you was a wonderful person. With a heart of gold. You loved helping people and that was from your heart. I miss our every night talks for 2 to 5 hours. You was so good about explaining the Bible to me. I loved that. Honey you are home and not suffering any more. Bless you for being a special person to me. Rest in peace sweetie. I'll see you again. Love Bonnie

Floyd was always trying to make Union County Schools a better place for all . He shared his knowledge with whoever would ask . I remember one time when a small child was upset waiting for her parents to come pick her up and Floyd stayed to just talk while waiting for her parent to pick her up . Thanks for the kind friendship you shared . Rest in peace with your savior .
