When I think of Sandy, I reflect on her beauty, honesty, and vivacity. I cherish my treasured memories from our 40-plus years of friendship. Sandy loved her family, fishing, and visiting Cherokee. Our beloved Sandy has achieved her heavenly ascent. My prayers are with her family.

Sandy was my best friend in elementary school at New London. I have wonderful memories of spending many nights with her. We would reminisce about our times together and laugh just as we did in our teens. We would go for years and not run into each other but when we did we would pick up right where we left off. I admired her dedication to her family. Take comfort in the fact that she loved you above all else. Love you Sandy and go rest high upon the mountain your work on earth is done ❤️
