My husband and I would like to send our condolences to Harold's family! Even though we never met him, we do know his grandson, Daniel Almond and his dad, David Almond. Just a reminder that Harold's spirit only left his body and you will see him again one day in his spiritual body when our heavenly Father (on the last day) gathers up those who are His 😊 Dr Amir Koohestani & Shireen Koohestani

Harold Thompson was a good man. When I worked at the mill I would work in his place so he could spend time with his father and go to the fish camp together.
