April and Brandi, I was a classmate of your father. Heartfelt sympathy to you and your family. My memory of him was that of a nice guy with a gentle soul. I send this poem to you as a memory. Remembering The beauty of a memory To that it's always there, Like a penny in your pocket, You can take it anywhere. And when your heart is heavy, And your eyes are filled with tears, You can focus on a memory, And travel through the years. Your heart can visit happy times, When laughter filled the air, And the presence of your loved one Will lessen your despair. So, as you travel on in life, Take comfort as you go, In a lifetime of sweet memories Of one who loved you so! Teresa Harris Little

April & Brandi, This is Kathy Lee, David Thompson's mom. I'm just SO VERY SORRY for your loss and saddened by his death!! Yall are very dear to David and he has kept me updated on your Dad's health. Like David's dad, sometimes things don't seem fair, but I can guarantee you that God has been in control the whole time. He worked through your Dad's life in ways we will never know! I know your Dad was loved by GOD and is experiencing his reward, without the troubles he may have known, here! Look to God for your strength!! Right now, you may feel you don't any of that left, BUT YOU DO!!!! I love you all and my best to your Mom!! Kathy
